Schedule D, Part V, Line 4 - World Learning's Endowment Fund is a long-term financial resource for World Learning and the execution of its mission. On an annual basis the Fund provides important financial resources to World Learning, primarily in the forms of 1) scholarship funding for participants in its academic and exchange programs and, 2) support for programs, new initiatives, and field projects.

Schedule D, Part X, Line 2 - World Learning follows guidance that clarifies the accounting for uncertainty in tax positions taken or expected to be taken in a tax return, including issues relating to financial statement recognition and measurement. This guidance provides that the tax effects from an uncertain tax position can only be recognized in the consolidated financial statements if the position is "more-likely-than-not" to be sustained if the position were to be challenged by a taxing authority. The assessment of the tax position is based solely on the technical merits of the position, without regard to the likelihood that the tax position may be challenged. World Learning is exempt from Federal income tax under Internal Revenue Code ("IRC") section 501(c)(3), though it is subject to tax on income unrelated to its exempt purpose, unless that income is otherwise excluded by the Code. Certain of World Learning's foreign subsidiaries are organized as taxable entities in their respective countries. World Learning has processes presently in place to ensure the maintenance of its tax-exempt status; to identify and report unrelated business income; to determine its filing and tax obligations in jurisdictions for which it has nexus; and to identify and evaluate other matters that may be considered tax positions. World Learning has determined that there are no material uncertain tax positions that require recognition or disclosure in the consolidated financial statements. In addition, World Learning has not recorded a provision for income taxes as it has no material tax liability from unrelated business income activities.
